Valerie,

The response due date was 10/20/15 so unfortunately the application was already completed with the information on file. We cannot grant an extension at this time. If you disagree with the FCDL then there will be instructions on how to appeal.

Thanks

Hi Crystal,

We need an extension on this request please. There is a new management company for the school, and I am working with them to obtain the appropriate responses and paperwork for you. Thanks.

Good morning,

Based on the initial response to 15day letter there are a few more things needed in order to complete application **1022157**.

I understand the student count for the first issue stated in the letter has increased from **267** to **297**.

In order to increase student count on application, please provide 3rd party validation to make correct changes.

Last I would need further information on a few items listed for FRN **2773927**. Preferably the

SKUs for :

Firewall : NSA 2400

Switches : SR2024 (24-Port)

Routers : T1 Router - - Total Access 908

UPS : Smart UPS 1500

Please respond at your earliest convenience.

Thank you in advance
